

CHAPTER 25 - ENTERTAINMENT ZONE

Now finally all of them entered the Entertainment Zone where they had to rescue the horse.

Laya: Hey we are at the stadium, it is shining bright. Everyone's excited and geared up for the game.

Kit: Look at the map, here we need to score against the master player. And once we do that we can rescue the Horse.

Robb: Let's create our Player and compete.

Challenge : Look at the below picture & make your model.

This is a group activity. Two students will be in each group.

- 1) One player will be the master player
- 2) And the other one will be Kit.

Kit needs to score 5 , in order to move to the next level.
