

CHAPTER 13 - MERRY GO ROUND

During dinner, the man informed them of a large carnival that was taking place nearby.

Man: The carnival is full of entertainment every year, and you should participate because you have a good chance of winning any competition.

Kit, Laya, and Rob all nodded excitedly and went to sleep. The next morning!!

Laya: What a beautiful morning!!

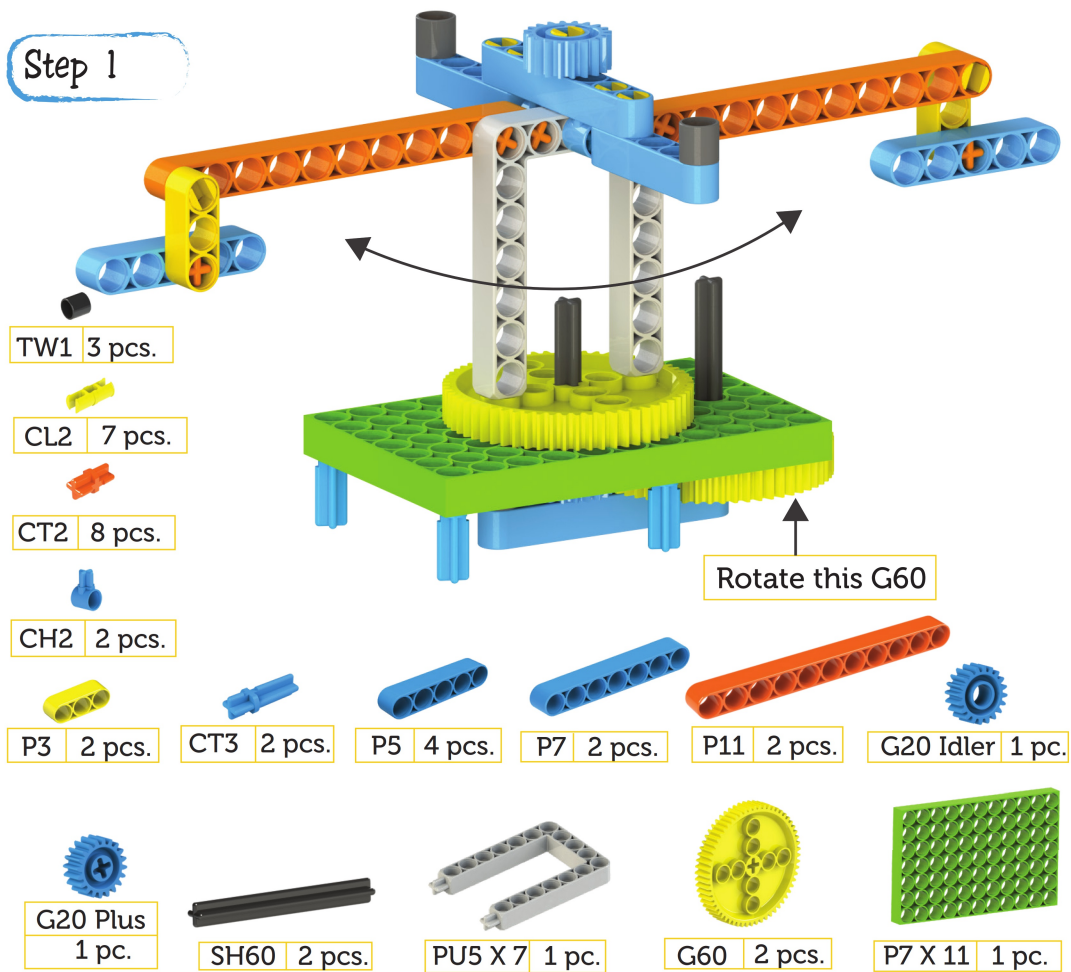

Kit: Yes,
Good morning to you,
The birds are singing too,
The sun is shining bright,
It's a beautiful morning light!

Laya: Kit, did you notice there was no amusement park or rides for children to enjoy in this village?

Kit: That's right, I want these kids to enjoy the Merry Go Rounds. So let us make one.
