

CHAPTER 16 - TRUNDLE WHEEL

Kit notices Jack, a villager in the park preparing for the school sports day. Their favorite sport is the long jump. Jack has just made a huge jump. He is all excited and wants to know how long his jump is.

Mia says that Jack's jump was 58 cm . But Jack feels that he has done much better .

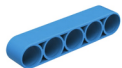

Kit thought that they needed some sort of device that can measure a long jump properly. So he suggested they make a trundle wheel.
